[REDACTED],

I am just following up on my recommendation to you to hire Aaron Winters as a consultant for our efforts. I know you have met with him. He thought it was a good meeting.

I think we are approaching a critical time with the Governor's Office. I think we can use his abilities inside the Office, not to lobby, but to help us understand the new personalities and their thought processes.

I hope you will take another look at him and consider hiring him as soon as possible.

I thank you.

My best,

Mike
